In United States history, the Gilded Age was an era that occurred during the late 19th century, from the 1870s to about 1900. The Gilded Age was an era of rapid economic growth, especially in the Northern United States and the Western United States. As American wages grew much higher than those in Europe, especially for skilled workers, the period saw an influx of millions of European immigrants.

As the cotton industry boomed in the South, Mississippi River steamboats became a defining component of the cotton kingdom. The video clip above, from a 1937 documentary by Pare Lorentz, shows cotton bales being loaded on a riverboat as they had been for generations. Riverboats were already an important part of the transportation revolution due to their enormous freight-carrying capacity and ...

The end of the Gilded Age coincided with the Panic of 1893, a deep depression that lasted until 1897. Wheat and cotton farmers in the West and South were especially hard hit, and moved toward radicalism. President Grover Cleveland was forced to ask the Wall Street bankers to help keep the Treasury liquid.
